# Heroics and Ros

3, CASTLE WAY, FELTHAM, MIDDLESEX TW13 7NW  
www.heroicsandros.co.uk

Welcome to the new home of Heroics and Ros models. Over the next few weeks we will be aiming to consolidate our position using the familiar listings and web site. However, during 2010 we will be bringing forward some exciting new developments both in the form of our web site and a modest expansion in our range of 1/300 scale vehicles.

For those wargamers who have in the past purchased their Heroics and Ros models along with their Navwar 1/300 ships, and Naismith and Roundway 15mm figures, these ranges are of course still available direct from Navwar [www.navwar.co.uk](http://www.navwar.co.uk) as before, though they will no longer be carrying the Heroics range.

We hope to attend a small number of shows in the future and I look forward to meeting customers old and new at these events. Details will be posted on our website.
